

## **Strawberry Salsa**

George Geary CCP

Yield: 4 cups

This is a very flavorful and colorful fruit salsa. It can be used with fish, beef, chicken or even corn chips.

2 pints            Strawberries, cut into small pieces  
1/2 medium    papaya, seeded and cubed  
3 tbsp            honey  
2 tbsp            Italian parsley, chopped fine  
1/2 tsp            sea salt.  
1 tbsp            port wine (if using for a beef dish)

1. In a small bowl, combine berries, papaya, honey, parsley and salt. (Add port wine if you are using for a beef dish)
2. Let set refrigerated for 1 hour prior to use.
