

## All American Jell-O® Shots

Red White and Blue! These vodka packed Jell-o® shots are beautiful and make a festive statement for any adult party. Remove the vodka with more water for the kids.

Makes about 12  
12 smaller clear cups, sprayed very lightly with a non-stick spray

### *Blue Layer:*

1/2 cup	water, boiling
1 (3 oz) box	berry blue or blueberry Jell-O®
1/2 cup	vodka

In a bowl, combine boiling water and Blue Jell-O®, stirring to dissolve completely. Stir in vodka, set aside. Let cool.

### *Red Layer:*

1/2 cup	water, boiling
1 (3 oz) box	cherry or strawberry Jell-O®
1/2 cup	vodka

In a bowl, combine boiling water and Cherry/Strawberry Jell-O®, stirring to dissolve completely. Stir in vodka, set aside. Let cool.

### *White Layer:*

1 (.25 oz) pk	Knox® unflavored gelatin	3 tbsp	granulated sugar
1/4 cup	whole milk	1/2 tsp	pure vanilla extract
3/4 cup	whole milk	1/2 cup	vodka

1. In a medium bowl, sprinkle gelatin over 1/4 cup milk.
2. In a small saucepan over medium heat, bring 3/4 cup of milk to a low simmer. Turn off the heat then stir in sugar, vanilla and vodka.
3. Pour heated mixture over plain gelatin mixture and stir until gelatin is completely dissolved. Let cool for 10 minutes.
4. Spoon about 2 tbsp of the blue mixture into each of the prepared glasses. Tip the glass to make the mixture slightly look off balance. Refrigerate until set, about 15 minutes. Top with about the same amount of white gelatin. Refrigerate until set, about 10 minutes. Cover with red gelatin mixture. Refrigerate until firm. About 2 hours. Serve.
