

Goat Cheese Rose Petal Toasts

My yearly trips to the South of France I pick up a few jars of Rose Petal Jam to last me the year. Florian Confiserie is at the base of the alps where they make this wonderful jam.

Yield: 8 servings

- 1 French baguette, sliced thin and toasted to dry out
- 8 oz goat cheese, room temperature
- 2 oz Rose petal jam
- Fresh dill

Spread each baguette piece with goat cheese, then follow up with a dollop of jam and decorate with the dill.
