

## **Watermelon, Tomato and Feta Salad** **With a cool yogurt dressing**

I like to use the watermelon with seeds as it seems more flavorful to me.

Serves 6

2 cups	watermelon, cubed
2 large	heirloom tomatoes, sliced
1 cup	crumbled feta cheese
2 tbsp	toasted sunflower seeds
3 tbsp	plain Greek yogurt
1 tbsp	honey
1 tsp	fresh dill, chopped

1. In a bowl combine watermelon, tomatoes, feta and sunflower seeds. Set aside.
2. In a small bowl, combine yogurt, honey and dill. Drizzle on top of watermelon mixture. Serve.

Variations: You can use any type of seeds or nuts you wish such as pumpkin seeds or pecan pieces.
